17th March 2020

Dear Member,

Coronavirus outbreak.

As you will be aware this is becoming increasingly serious and could be very serious for older members of our Society.

We have had notification from the Parish Council that the Parish Hall has now been closed for the time being - but even if it had not the Committee had already decided that we would not be holding any meetings during the immediate future.

In light of the situation all being well our next meeting will in July by which time hopefully the problem will have been solved. If not our next meeting will be in September.

We should have held our AGM in May - so at the moment all officials &c will remain in place and if needs be we will hold an AGM later in the year.

In the meantime please accept my good wishes and hopes that you remain unaffected by this latest health problem.

Henry Tompkin
Secretary and Treasurer

PS - Colin Wade was delighted with the booklet which used part of his memories of WW2 and several copies have been sent to relations and friends throughout the world!

Should you want a copy of the booklet or that about Mrs. Kimber - please contact me and if I am ok I will gladly supply you with a copy. Mr. Wade's book is £3 and Mrs. Kimber' £2.
